Building from the ceremony that awarded the Nobel Peace Prize to Japanese A-Bomb survivors, U.S., and other nuclear weapons victims, with archival footage this overview film summarizes history of nuclear threats and dangers and arms control diplomacy. It moves to honor past and current nuclear weapons abolition initiatives, celebrating the Treaty on Prohibition of Nuclear Weapons, the Back from the Brink campaign, and the Hibakusha's wisdom that human beings and nuclear weapons cannot coexist.

Those featured include Tanaka Terumi, Wada Masako, Sophie Bolt, Jackie Cabasso, Tina Cordova, Ira Helfand, Joseph Gerson, Rishi Gurudeva. Roland Joseph, Midori Morrow, Katie Murphy, Walae Hayek, and others.

Produced by the Campaign for Peace, Disarmament and Common Security
